

beyond
the expected

SPECIAL

Sleekest frame in the world

Direct top easy wiring (Electrician Friendly)

Tested for 2 lakhs operations with silver bimetal contact.

Spark shield in switches

FR Polycarbonate with UV rays stabilized (Prevents Yellowness)

IS-3854 Standards / ISO/IEC 17025:2017 ACCREDITED LAB

Special steel springs for consistent pressure

beyond the styling

SPECIALLY DESIGNED MODULAR SERIES

Imagination makes sense complete. You get the feel of precision when you know your taste has been satisfied.

Less is more

2.5
mm thickness

Sleekest Frame in the World

Sleekness is impressive to touch and to admire hence we have the world class sleek frame, incomparable, even in thought. The cover has any easy detachability, smooth enough even for the most delicate fingers. Precision is the basic requirement that we must offer.

Our effort tries to reach beyond the expected by you.

Sleekest frame
in the world

beyond the delight

SPECIALY
DESIGNED MODULAR SERIES

Shades & Grades

There are colors and there are shades, there is class and there is glamour. For us, it is you. We create colors to impress you and we feel satisfaction when you do. Range is for you and we create for your delight.

Ambience describes your sense. Your delight expresses our effort to feel beyond the fleeting with you.

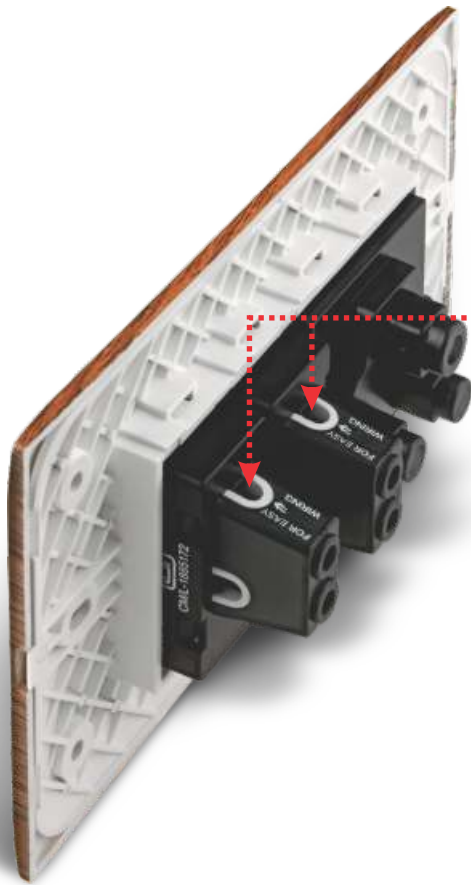

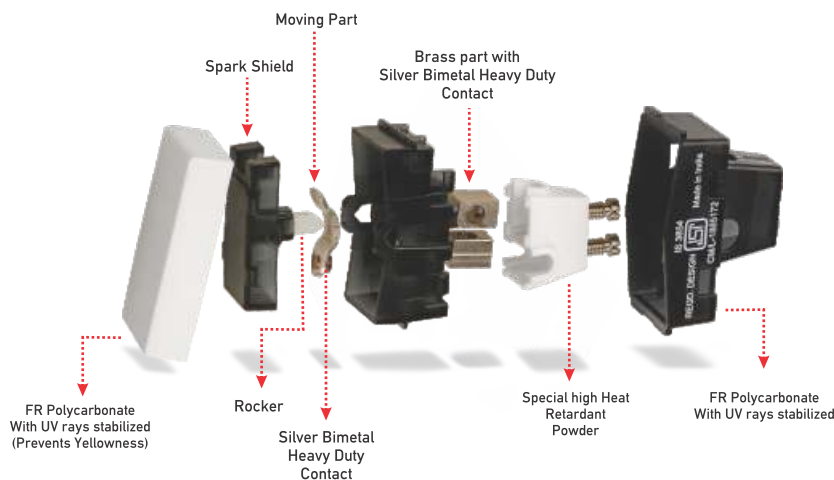

beyond the basic

SPECIALLY
DESIGNED MODULAR SERIES

Easy wiring

Direct top easy wiring
(Electrician Friendly)

Spark shield in switches

FR Polycarbonate with UV rays stabilized (Prevents Yellowness)

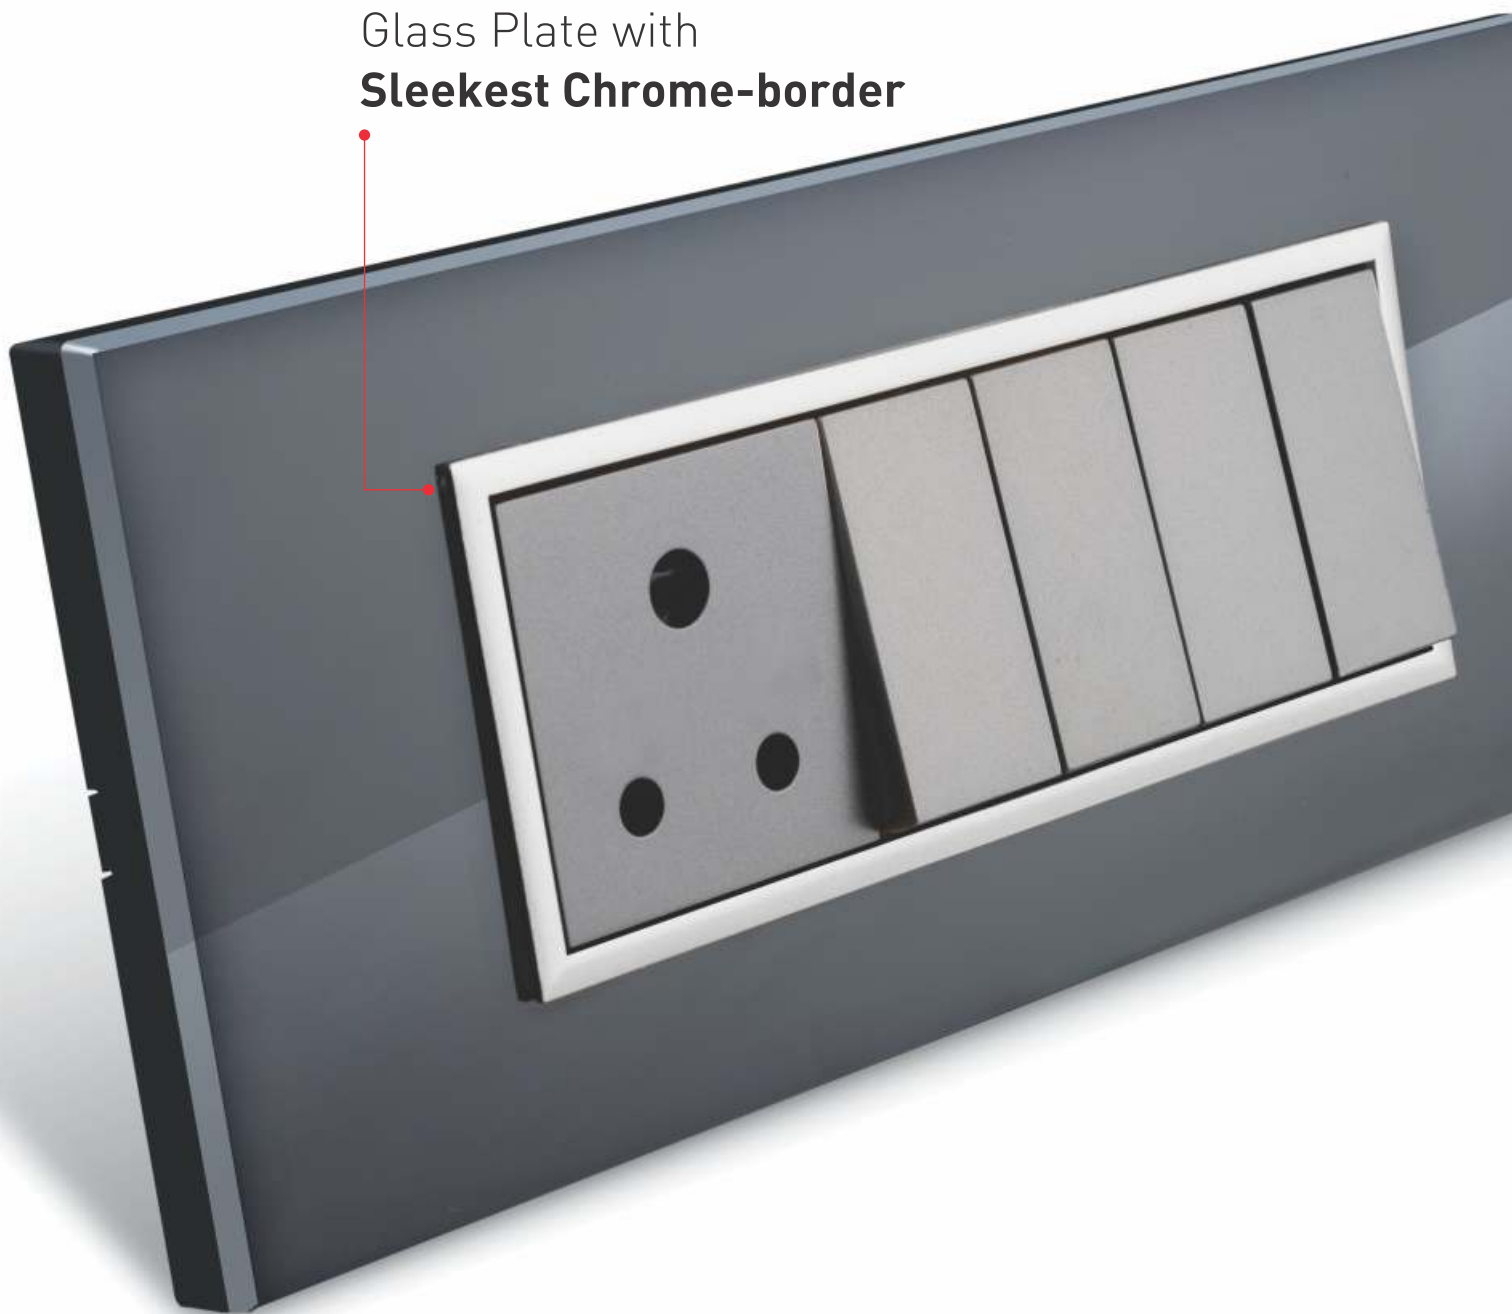

IS-3854 Standards

Special steel springs for consistent pressure

There is a lot that must go in understanding life with minute perfections. For us it is the mantra to guaranteeing not what needs to be but what must be. Intelligent comfort oriented treatment for eased solutions is our motive to get beyond the trusted to you.

Glass Plate with
Sleekest Chrome-border

SPECIAL 

beyond the Brilliance

Discover the brilliance of exclusive Glass cover plates that has been crafted with the essence of class. The slimmest shape oozes a charm that will add grandeur to your homes.

The catch is not only its shape but the touch of chrome that has been created after a thorough research to add sophistication to your lives.

introducing sleekest switch

SLIMZ switch

Minimally crafted to give your space just what it needs. Breaking the conventional tale by reshaping the right amount of class to add to your contemporary interior-appetite. Re-invent your home with this effortless Slim design.

SLIMZ switch with
TURBOCHROME Plate

SLIMZ switch with
WOODCRAFT Plate

beyond^{the} perfection

Cutting the extras to achieve
the new contours of perfection
with the SLIM modular switches.

SPECIAL 

beyond the sophistication

Experience true style and elegance with our Platina switch plates.
Designed with keeping class in mind, the chic mirror surface will adorn your interiors.

The smooth finishing of the plate gives it an unprecedented charm and is perfect for creating a unified look for the lighting controls.

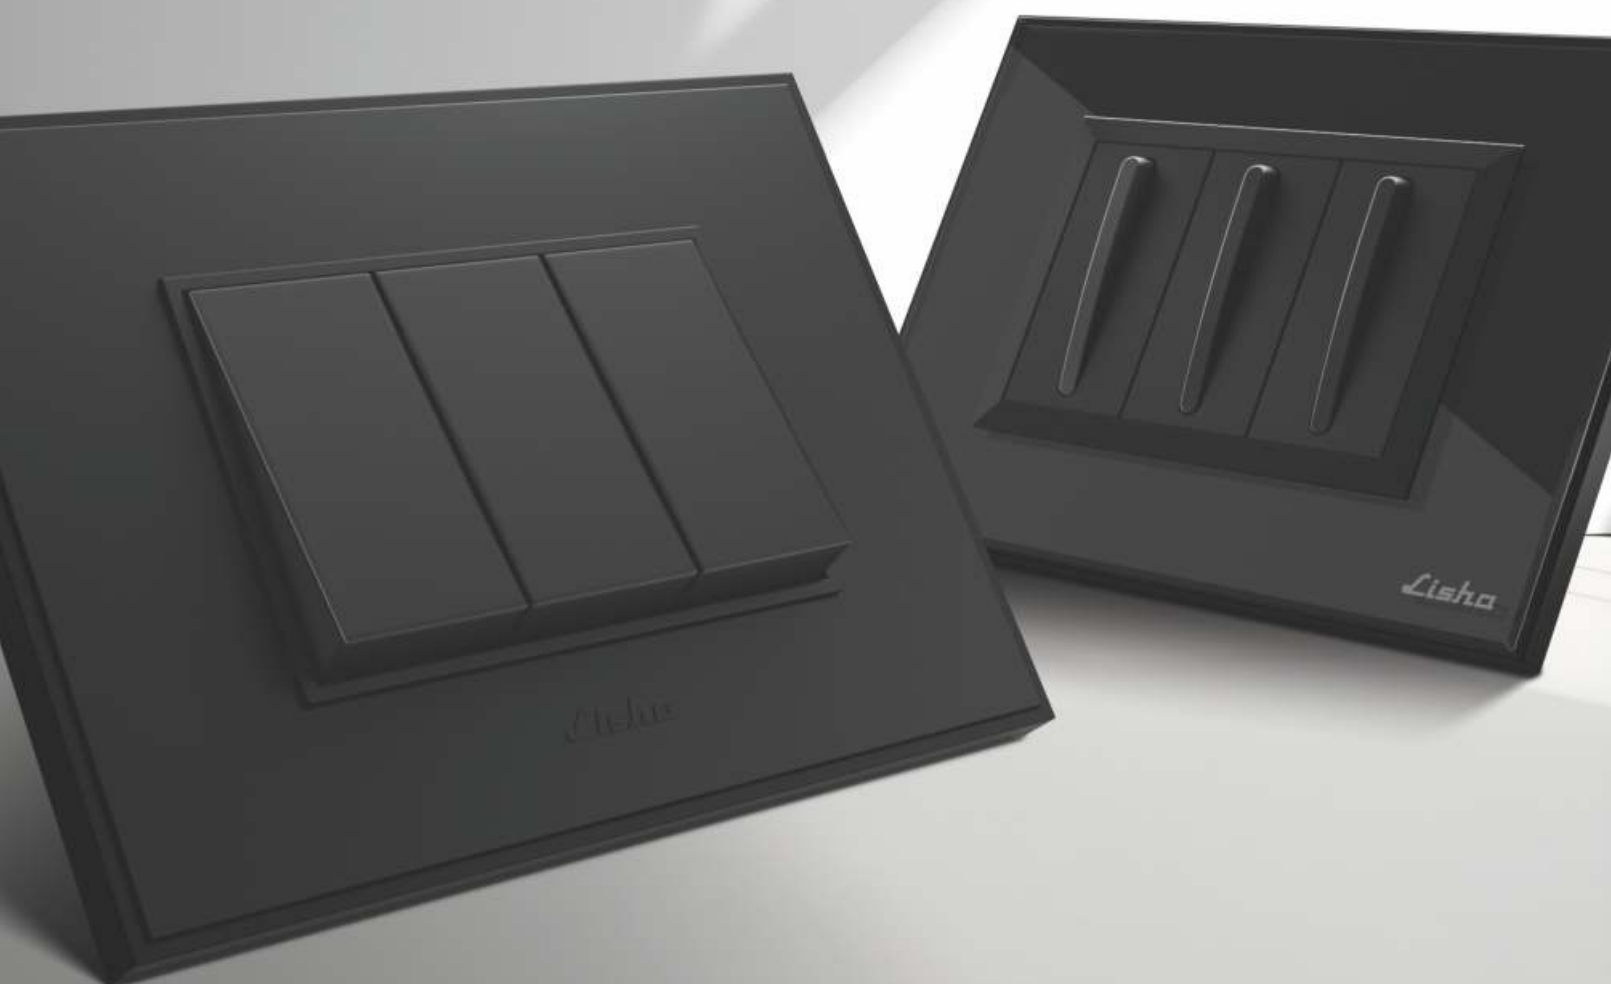

beyond the Timeless

Unleash the power of the night with our revolutionary new black switch.
Experience unparalleled performance and a design that sets a new standard for luxury.

Its deep, commanding presence elevates any space,
offering a touch of modern elegance and an air of quiet confidence.
More than just a switch, it's a statement.

Introducing black color range

Platina ICON

Platina brings a bold, modern look with its sharp lines and cool matt black finish. It's a strong, clean statement for any space.

TiNT ICON

Tint shines with its deep, glossy black glass. It's sleek, reflective, and adds a touch of pure elegance.

TURBO

Sleekness is impressive to touch and to admire hence we have the world class sleek frame, incomparable, even in thought. The cover has any easy detachability, smooth enough even for the most delicate fingers. Precision is the basic requirement that we must offer.

Understanding is the one thing that takes all relationships forward.
We also take it as our utmost objective when thinking of our consumers
without whom we know we don't exist.

Decades of this promise made by us to everyone of our users is the
only strength that has kept us steadfast in all aspects that we cover,
be it quality, inventiveness and timely delivery.

Our sole criterion is definitely what our customers desire and that has only kept us up
to date in our designs, specifications, inspiration and aspiration.

Help us excel.
